Martha N. Bryan

A leading authority on the development of human potential and personal excellence.

With an educational background in teaching, she has taught at both high school and college levels and has held positions in both government and private industry. Her work career expands from farm laborer and cafeteria helper to positions in staff support, sales, training and personnel administration. She has served in leadership positions for a number of organizations.

Ms Bryan is a highly effective organization consultant and dynamic public speaker who is recognized for her informative, down-to-earth, and entertaining keynote presentations and workshops on motivation, personal effectiveness, leadership, customer service and change management. Her programs on implementing quality excellence, leadership, vision and strategy, self-esteem and success psychology bring about immediate changes and long – term results. She gives such practical ideas, methods, tips and techniques that participants emerge excited, enthusiastic and eager to apply her ideas in their work and personal lives. You will enjoy spending time with her!

The consulting and training services are designed to instruct and inspire people at every level of an organization. These services are ideal for any organization or association looking to improve leadership, communication, cooperation, and motivation in the workplace.
